

UCSF NIH Public Access Survey

1. To what extent are you aware of the NIH Public Access Policy ?			
		Response Percent	Response Count
Not aware		16.5%	33
Aware		50.5%	101
Highly aware		33.0%	66
		<i>answered question</i>	200
		<i>skipped question</i>	0

2. Have you received an NIH grant within the last 3 years?			
		Response Percent	Response Count
Yes		43.2%	86
No		56.8%	113
		<i>answered question</i>	199
		<i>skipped question</i>	1

3. Within the past year, have you taken steps to deposit articles to PubMed Central in accordance with the NIH Public Access Policy?			
		Response Percent	Response Count
Yes		45.2%	90
No		48.7%	97
I don't know		6.0%	12
		<i>answered question</i>	199
		<i>skipped question</i>	1

4. Have you sought assistance from any person or organization to help you understand how to comply with the NIH Public Access Policy?			
		Response Percent	Response Count
Yes		20.1%	40
No		79.9%	159
<i>answered question</i>			199
<i>skipped question</i>			1

5. If yes to #4, who did you contact? [Check all that apply]			
		Response Percent	Response Count
UCSF Library		17.1%	7
UCSF Office of Contracts and Grants		0.0%	0
Departmental grant administrator or similar staff in your department		26.8%	11
Publisher/Editor/Journal		58.5%	24
Other (please specify)		36.6%	15
<i>answered question</i>			41
<i>skipped question</i>			159

6. "Open access" publishing involves making research articles freely available online without any subscription fees. To what extent are you aware of the concept of open access publishing?

		Response Percent	Response Count
Not aware		7.0%	14
Aware		48.7%	97
Highly aware		44.2%	88
		<i>answered question</i>	199
		<i>skipped question</i>	1

7. Do you consider a journal's open access policy when you are selecting where to publish?

		Response Percent	Response Count
Yes		41.6%	82
No		58.4%	115
		<i>answered question</i>	197
		<i>skipped question</i>	3

8. In what ways do you feel that open access is a positive development? [Check all that apply]			
		Response Percent	Response Count
Increased reach of research articles		75.8%	147
Easy access to articles		79.9%	155
Members of public should have access to taxpayer-funded research		72.2%	140
Neutral		8.8%	17
Other (please specify)		6.2%	12
		answered question	194
		skipped question	6

9. In what ways do you feel that open access is a negative development? [Check all that apply]			
		Response Percent	Response Count
Could harm publishers		29.2%	49
Could harm scholarly societies		20.2%	34
One more administrative burden for already busy researchers		35.7%	60
Neutral		36.3%	61
Other (please specify)		13.7%	23
		answered question	168
		skipped question	32

10. Check if you are:			Response Percent	Response Count
Faculty		60.0%	120	
Postdoctoral Fellow		17.5%	35	
Other academic		10.0%	20	
Staff		2.5%	5	
Student		10.0%	20	
		<i>answered question</i>	200	
		<i>skipped question</i>	0
